About This Content

Pathfinder Adventure Path #123: The Flooded Cathedral (Ruins of Azlant 3 of 6)

by Mikko Kallio

Down in the Flood

As the adventurers work to track down the missing colonists, the trail leads to a nearby island. There, they discover the submerged ruins of a cathedral dedicated to a now-dead god; the site has become a lair of an ichthyic monster and its cunning minions. The adventurers must fight their way through flooded chambers and vicious monsters to rescue the kidnapped colonists and learn of a greater threat to the region—and to humanity as a whole.

This volume of Pathfinder Adventure Path continues the Ruins of Azlant Adventure Path and includes:

- "The Flooded Cathedral," a Pathfinder adventure for 7th-level characters, by Mikko Kallio.
- A double-sized article exploring the divine beings worshiped in ancient Azlant, by Adam Daigle.
- An under-the-hood look at the ancient world's marvelous clockwork creations, by Mikko Kallio.

-
- A bestiary of terrifying monsters and fantastic creations, by John Compton, Kalervo Oikarinen, and David Schwartz.

This product is not a PDF or accessible outside of Fantasy Grounds. It has been lovingly converted for use within Fantasy Grounds and features the following additions:

- All maps resized and set up with a preset grid to make combats easy to manage
- Individual area descriptions linked to maps, containing new encounters, treasure parcels and descriptions for just that area
- Tokens for each encounter are all pre-placed in starting locations on the map. You can edit these on the fly.
- Drag and drop treasure parcels and Encounter XP that is easily awarded to your players to keep the game moving ahead
- All the images and handouts from the book available to share with your players as you need them

Released on February 25, 2018. Designed for Fantasy Grounds version 3.3.4 and higher.

Requires: This content requires an active license or subscription for Fantasy Grounds to download and use.
